

Srinivasa Ramanujan
INSTITUTE FOR BASIC SCIENCES
(SRIBS)

Kerala State Council for Science, Technology and Environment
(KSCSTE)

&

**CSIR – National Institute for
Interdisciplinary Science and Technology (NIIST)**

Govt. of India, Thiruvananthapuram

cordially invite you for the lecture by

Prof. (Dr.) Clement Sanchez

Professor, University of PARIS 6- Pierre et Marie Curie, Paris, France

Title :

**Biomimetism & Bioinspiration
Sources of Knowledge to create new materials**

3:00 PM on Tuesday, 4th October, 2016
at CSIR-NIIST, Pappanamcode, Trivandrum

Dr. Suresh Das
Executive Vice President &
Principal Secretary, Science
& Technology Department,
Govt. of Kerala

Dr. Ajayaghosh
Director
CSIR-NIIST

M. Rajan Panicker IA & AS (Retd.)
Special Officer, SRIBS
Convenor

Jt. Convenor, **Dr. Bejoy Thomas**, Dept. of Chemistry, Newmans College, Thodupuzha

PROGRAMME

- 3:00 PM : Arrival of Chief Guest
- 3.00 - 3:30 PM : Tea
- 3:30 PM : Welcome & Presidential address
Dr. Suresh Das
Executive Vice President &
Principal Secretary, Science & Technology
Department, Govt. of Kerala
- 3:40 PM : Introduction of the speaker
Dr. A. Ajayaghosh,
Director, NIIST, Trivandrum
- 3:45 PM : Lecture
Prof. (Dr.) Clement Sanchez
- 4: 15 PM : **Discussion**
- 4:30 PM : Vote of thanks
Shri M. Rajan Panicker IA & AS (Retd.)
Special Officer, SRIBS

Prof. (Dr.) Clement Sanchez is currently the Professor at the College de France and Chaire de Chimie des Matériaux Hybrides at University of PARIS 6- Pierre et Marie Curie, Paris, France. He was formerly the director of the Laboratory Chimie de la Matière Condensée de Paris (LCMCP), UMR CNRS 7574, Paris, FRANCE during 2005-2013. Dr. Sanchez is one of the most recognized names on chemical sciences and belongs to the list of the most cited scientists in Materials Science over the last 20 years. With greater than 600 publications, including, high impact factor journal articles (like in Nature, Science, Chem. Rev. and Chem. Soc. Rev.), book chapters and patents, he has an h factor of 80, number of citations > 29000 and average number of citations per article > 57.5. Dr. Sanchez has immense national and international scientific responsibilities as scientific coordinator of large number of programmes and editor of journal like Chem. Soc. Rev. and J. Mater. Chem. He also carries the task of many national and international scientific and administrative responsibilities back in Paris and across the scientific world. Dr. Sanchez is a member of scientific committee in number of international meetings like International Sol-Gel conference, International Workshop on Glasses and Ceramics from Gels, SPIE International Symposium "Optical Devices for Fiber Communication" etc. He is a distinguished Nominated Fellow of the Royal Society of Chemistry and recipient of numerous French and International awards.
